# sobre HECO a propos de HECO about HECO

ES

Los orígenes del Grupo Conesa se remontan a los años 30 cuando el abuelo del actual Presidente Ejecutivo, fundó un taller de carrocería para el sector del automóvil en Figueres.

Más adelante, sus hijos siguieron sus pasos dentro del sector del automóvil y de la motocicleta. Dedicándose al mismo tiempo a la fabricación del mueble metálico, patentando en el 1962 el sistema de apertura total de las cajas de herramientas como modelo de utilidad 930 25 80.

Hoy en día, nos mantenemos fieles a nuestra tradición. La mejora continua en todos los procesos nos han llevado a ser líderes en nuestro sector.

La calidad y servicio nos ha proporcionado un extensa red comercial eficaz en la que satisfacemos todas las necesidades del cliente ofreciendo un portafolio extenso de productos estándares y a medida.

FR

Les origines du Groupe Conesa remontent aux années 30 quand Mr Antonio Conesa, grand-père de notre actuel président, fondé un atelier de carrosserie dans le secteur de l'automobile à Figueres.

Plus tard, ses enfants suivent ses pas dans le secteur de l'automobile et la moto. En se consacrant en même temps à la fabrication du meuble métallique, brevetant en 1962 le système d'ouverture totale de la caisse à outils comme modèle d'utilité 930 25 80.

Aujourd'hui, nous restons fidèles à notre tradition. L'amélioration continue dans tous les processus et nous ont conduits à être leaders dans notre secteur.

La qualité et le service nous a fourni un vaste réseau commercial efficace qui répond à tous les besoins des clients en offrant une vaste gamme de produits standards et personnalisés.

EN

The origins of the Group Conesa go back in 30's, when Mr Antonio Conesa, grandfather of the current executive president, founded a workshop in the automotive sector in Figueres.

Later, his children follow his steps in the automotive and motorcycle. Dedicating the same time the manufacture of metal furniture, patenting in 1962 the total opening system of the toolboxes like 930 25 80 utility model.

Today, we remain faithful to our traditions. The continuous improvement in all processes led us to be leaders in our sector.

Quality and service gave us a large efficient commercial network which answers all needs of customers by offering a wide range of standard and customized products.

# puntos fuertes

## qualités

## strengths

### since 1955

HECO inicio su actividad en el sector industrial a través del desarrollo de depósitos de gasolina para el sector del automóvil.

HECO a débuté son activité dans le secteur industriel en développant des réservoirs d'essence pour le secteur automobile.

HECO started its activity in the industrial sector by developing petrol tanks for the automotive sector.

### great team

El equipo de HECO, trabaja conjuntamente para poder satisfacer las necesidades de nuestros clientes.

L'équipe HECO travaille ensemble pour répondre aux besoins de nos clients.

The HECO team works together to meet the needs of our customers.

### tradition

HECO se caracteriza por ser un fabricante que ha sabido mantenerse en el mercado sin perder su esencia, la calidad en todos sus productos.

HECO est connu pour être un fabricant qui a su rester sur le marché sans perdre son essence et sa qualité dans tous ses produits. HECO is known as a manufacturer who has been able to stay on the market without losing its essence and quality in all its products.

### made in EU

Fabricado en España (EU). La ubicación dentro de la unión europea permite a HECO estar dentro de las exigencias del mercado internacional.

Fabriqué en Espagne (EU). L'implantation au sein de l'Union Européenne permet à HECO de répondre aux exigences du marché international.

Made in Spain. The location within the European Union enables HECO to meet the requirements of the international market.

### customized

Productos personalizados. Aunque tenemos una amplia gama estándar, la demanda del mercado nos lleva a realizar productos a medida.

Produits sur mesure. Bien que nous soyons une large gamme standard, la demande du marché nous pousse à fabriquer des produits sur mesure.

Customized products. Although we have a wide range of standard products, the market demand pushes us to manufacture custom-made products.

### stock&fast

El garantizar un servicio de entrega rápido radica en la producción constante de stock de nuestros productos estándares.

Entregas inmediatas, 10 días hábiles y con condiciones especiales según las series.

La garantie d'un service de livraison rapide réside dans la production constante de nos produits standards.

Livraisons immédiates, 10 jours ouvrables et avec conditions spéciales selon la série.

The guarantee of a fast delivery service lies in the constant production of our standard products.

Immediate deliveries, 10 working days and with special conditions according to the series.

### market

Parte de las industrias que HECO equipa son: aeronáutica, ferroviaria, naval, minera, militar y automovilística.

Quelques-unes des industries que HECO équipe sont: aéronautique, ferroviaire, navale, minière, militaire et automobile.

Some of the industries that HECO equips are: aeronautics, rail, naval, mining, military and automotive.

### product

El mercado actual hace que HECO haya innovado en un catálogo ordenado por familias donde también ha incorporado algunas novedades en sus series.

Le marché d'aujourd'hui a poussé HECO à innover dans un catalogue ordonné par famille où également a été intégré de nouvelles fonctionnalités dans sa série. Today's market has prompted HECO to innovate in a family ordered catalogue, where new features have also been integrated into the series.

### showroom
